

# The Hinsdale School Board Will Be Hosting A Parent And Community Member Focus Group

**Please come meet our new Superintendent  
Wayne Woolridge**

When:

**Wednesday, January 27th**

**6:00pm-7:30pm**

Where:

**Hinsdale**

**Middle/High School**

This focus group will depart from the more formal setting of the monthly school board meetings and offer **parents, students and community members** more opportunity to provide input on a wide variety of topics. We will have a third party representative mediating the discussion. Everyone will have a voice and the opportunity to speak.

*Let's talk about it !!!*

## **What are the expectations of this meeting?**

As a result of the discussion at the last community forum, a list of concerns and suggestions for the school board and administration to work on was compiled. We will discuss the progress made on these issues and solicit feedback and suggestions for future forums.

**We would also like to discuss the space issues we are facing at the elementary school building. As some of you know, new fire codes are causing some difficulties in arranging classroom placements for the younger grades.** If you have any questions please contact [communityconnections@hnhsd.org](mailto:communityconnections@hnhsd.org)

***Dinner and Childcare WILL BE PROVIDED !!!***
