Hinsdale School Board Meeting Norms

We will work together as a community that values consensus rather than majority rule.

We will be fully present at the meeting by becoming familiar with materials before we arrive and by being attentive to behaviors which affect physical and mental engagement.

We will invite and welcome the contributions of every member and listen to each other.

We will be involved to our individual level of comfort. Each of us is responsible for airing disagreements during the meeting rather than carrying those disagreements outside the meeting.

We will operate in a collegial and friendly atmosphere.

We will use humor as appropriate to help us work better together.

We will keep confidential our discussions, comments, and deliberations.

We will be responsible for examining all points of view before a consensus is accepted.

We will be guided by the Hinsdale School Board goals.
