Dear Parents/Guardians:

Greetings! Throughout the summer the district administration and bus company have been planning for the transportation needs of the district in a safe way. The bus company will be using a sanitizing machine to keep the buses safe and all children will have undergone screening by their parents before boarding the bus each day.

Due to the pandemic there will be some important changes to be made that I would like to outline for you. In addition, the school district is asking you to sign an agreement (found on page 2) that you have read and understand the expectations for riding the bus during the pandemic. If those expectations are not met the privilege of riding the bus will be taken away.

Expectations:

- Students must remain in their assigned seats to physical distance to the greatest extent possible and should face forward at all times
- Students must wear masks while on the bus
- All other bus rules as posted in the student handbook will be enforced

Please fill out the agreement on page 2 and return it to your child's classroom teacher on the first day of school.

Sincerely,

Ann Freitag, Principal HMHS

I have read and understand the bus rules as printed in the student handbook and the additional expectations outlined on page 1 to keep everyone safe during the pandemic. By signing this I agree to have my child follow the rules and expectations. I understand that due to the nature of the pandemic, failure to abide by the rules and expectations for bus behavior will result in suspension of bus privileges.

Return this form to the classroom teacher on the first day of school.
