

# HES Happenings

## 3.8.2024

By Joe Boggio and Staff

**Quote of the Week:**  
“The foundation of every state is the education of their youth.” – Diogenes, Greek Philosopher

**Corny Joke Corner:** Why did the Cat in the Hat put the letter M in the freezer?

To turn ice into mice.

- Friday, March 8<sup>th</sup> Alumni Basketball Games HHS Gym 5:30
- Monday March 11, No School Teacher Professional Development
- Tuesday, March 12<sup>th</sup> Voting Day
- Saturday March 16<sup>th</sup> School Town/District Meeting HHS Gym 9:00 AM
- Friday, March 22<sup>nd</sup> Preschool Open House 9 to 11 AM
- Wednesday, March 27<sup>th</sup> Math Night

### The Life of a Principal

**School District Meeting Notable** There will be childcare in the high school cafeteria for anyone with school-aged children who may need some help to attend the meeting. It will be supervised by three teachers with support from student leadership groups at the high school.

**HASP Drama** The HASP Drama Club's spring performance of, "Matilda" will be on consecutive days at the Town Hall. The first show is Friday March 22<sup>nd</sup> and there will be shows Saturday March 23<sup>rd</sup> and a matinee on Sunday. Friday and Saturday begin at 6:30 and Sunday is at 3:00. There is no cost for admission. The Drama Club has been working hard learning their lines, songs, and dances for the past six months, so please come out and see the show. Bring the whole family if you'd like! Miss Mahoney, Miss Amanda B. Smith (Choreographer) and Mr. Pion have been working hard on the production too.

**Math Night March 27<sup>th</sup>** Don't forget to keep the night open for Math Night. There will be a lot of fun math activities going on, raffles, and a chance to visit with each other to build our connection. When you arrive, please enter through the main office, sign in and proceed to the cafeteria. Portions of the night are sponsored by the OSTCP Grant- Out of School Time Career Pathways Grant.

**Fifth Grade Wall Tile Project** The Wall Tile Project has been sponsored by the Hinsdale Education Foundation (HEF) since the K/1 addition has been built. Each year since then the fifth-grade students, Mrs. Towle, and the fifth-grade teachers choose a theme. (Shhh... it's a secret!) After completing their drawings the drawings get sent to a company named Polar Engraving to create the tiles with the artwork on them. The tiles are installed and finally, we have an unveiling ceremony in May, stay tuned for a date. For more on HEF visit [www.hinsdaleef.org](http://www.hinsdaleef.org).

**Kindergarten Pre-Registration** If you have a child who will be 5 before September 30<sup>th</sup>, 2024, they are eligible to enroll in Kindergarten. Kindergarten is a full day program at HES. To obtain a pre-registration packet you can stop by the school preferably between 10 and 2 Monday through Friday. Enrollment for next year is open right up until school re-opens in August, but it is best to enroll early so classes can be set up. For more information, call the school at 336-5332.
