Social Worker

**IMPORTANT MESSAGE**

August 20, 2020

Dear Parents/Guardians:

Last night I presented to the School Board the idea of a hybrid model for Kindergarten. That means a half day in school and a half day out of school. This is a model that the Kindergarten teachers have supported since we did our planning last spring to help the children transition to physical distancing. At the end of the first quarter of this school year we will evaluate whether or not to switch to full days in school or continue with the half day hybrid model. We start Tuesday, September 8th. On Friday, August 28 you will receive an email indicating which session your son or daughter should attend. At this time bus transportation will only be provided for drop off in the morning session and pick up from the afternoon session. Please go to the website, [www.hnhsd.org](http://www.hnhsd.org) for more detail information and plans as it is updated frequently.

The teachers created the list of supplies below last June, but I think it is still valid. These items would be kept at home (they will have personal supplies kept here at school) and if you have trouble getting any of them, we can help out.

Parent List: (school will provide if parents can't)

- 3 ring binder
- Dividers
- Construction paper
- Scissors
- Pencils
- Glue stick
- Index cards
- Dry erase marker

Extras (nice to have)

- ABC cards
- Number cards
- Dry erase board

Sincerely,

Joseph Boggio
