Hinsdale Elementary School

Learning Compact

For Parents, Students, Teachers and School

The Hinsdale Elementary School Learning Compact was developed to support our school and be part of the growth of school/home partnerships. The compact is a way for all partners to strengthen our commitment to student learning and to understand how our actions can contribute to higher achievement and positive support for all students. We are sending the compact home for your signatures to emphasize the essential role each of us plays in the learning process. Please use it with your child, at the beginning of each school year, to review expectations and high standards for student learning. Please both sign it and return it to the school. We will return a fully-signed copy to you so that it can be a reference for all.
