May 11, 2016

Dear Parents/Guardians,

The closing days of the school year are upon us, with many activities and schedule changes to plan for. There are no classes on Friday, May 27, due to teacher workshops, and on Monday, May 30, in recognition of Memorial Day.

Our students will be taking exams during the closing days. The schedule has been adjusted to assist students with additional time to focus on their exams. The course **exams** and the schedule for **early dismissals** on exam days are as follows:

Thursday, June 2: Period 5 Exams, dismissal at 12:50

Monday, June 6: Period 6 and Period 7 Exams, dismissal at 12:50

Tuesday, June 7: Period 1 and Period 2 Exams, dismissal at 12:50

Wednesday, June 8: Period 3 and Period 4 Exams, dismissal at 12:50

Thursday, June 9: All classes meet, dismissal at 11:36, after lunches served

On Friday, June 3, we will be honoring our seniors with a Class Day Assembly at 9:30 AM.

Students in grade 6 do not take final exams.

The school nurse would like to remind you to pick up any medications you have here before summer begins.

Summer school this year will run Monday through Thursday, July 11 through August 4, from 8:30 to 11:30 AM. In addition to credit recovery and skill building, we are offering open lab time for any students entering grades nine through twelve to access on-line course work. If your student is interested, please contact Mrs. Brault in guidance now.

Sincerely,

Ann Freitag
