Dear Parents/Guardians,

We know this is a busy time of year.

We would like to share with you many of the ways we strive on a daily basis to ensure that students feel safe in our school, and that we value your feedback.

This year we have implemented important programs that specifically teach students about complicated social issues such as bullying. All middle school students participate in the Second Step Program, and high school students participate in School Connect. These classes are taught by teachers at each grade level, and have helped all of us become more attentive to our roles in supporting positive behaviors. Attached you will find a description of the program your child participates in.

In the weeks ahead, we will be conducting short surveys to gather data from staff, students and parents. You will be asked to participate in a six question survey through our phone messaging system, scheduled for the evening of January 8, 2017 after 5 P.M. We hope you will take the opportunity to provide us with your responses. If you prefer to not do a phone survey, please know that we welcome your feedback, and you can contact us by phone or email at a time that is more convenient.

We hope you have an opportunity to enjoy the upcoming holidays!

Sincerely,

Ann L. Freitag, Principal
