SAM KILELEE
Athletic Director

October 19, 2018

Dear Parents/Guardians,

The Hinsdale Middle/High School will be offering parent-teacher conferences on Thursday afternoon, November 8, 2018, and Friday morning, November 9, 2018. We are providing two options for you to schedule a fifteen-minute conference with teachers, guidance counselors, and/or administrators. If you wish to schedule with two teachers for the same time period, such as a classroom teacher and case manager, please sign up for both teachers for the same time period.

You may want to use an online option available through the following links, based on the last name for teachers:

Teachers A-H	https://bit.ly/2RY5KdR
Teachers L-Z	https://bit.ly/2CrfOH1
Special Ed, Guidance, Administration	https://bit.ly/2Aid0dN

Alternatively, you may find it more convenient to call the school at 336-5984 and schedule an appointment through Mrs. Patel or Mrs. Kilelee in our office. When scheduling, be sure to provide your name, your contact information, and your child's name.

There will also be support available during conferences if you need help understanding and accessing student achievement information. These information resources include PowerSchool and formal test results such as NHSAS, PSAT, SAT, and MAP tests. We will have staff in the library lab to assist you with these resources, or you may wish to schedule an individualized conference with your child's counselor.

We hope you have the opportunity to participate on November 8 or 9. However, if the times are not convenient for you, please do not hesitate to call and we can arrange conferences at other mutually convenient times for you and your child's teachers.

Sincerely,

Ann Freitag, Principal

Thomas Ronning, Assistant Principal
