The **Scholarships for Military Children** program is celebrating its ninetieth year of outreach to the military community. Each year the program, supported through the military commissary system and administered by the Fisher House Foundation, awards hundreds of scholarships to qualified seniors planning to enroll in a four-year program of studies the following fall, or to college students already enrolled in a four-year program.

The application period for 2019 opens Dec. 14, 2018 and applications must be submitted online at www.militaryscholar.org by February. 15, 2019.

Manufacturers and vendors that sell groceries or provide services to commissaries fund the Scholarships for Military Children program, which has awarded more than \$18.1 million and over 10,000 scholarships to deserving children of military families since 2001. At least one \$2,000 scholarship is awarded at every commissary location with a qualified applicant.

Additional information will be available after December 14, 2018 at the program Web site at <http://www.militaryscholar.org> or through the link at <http://www.commissaries.com>.

Thank you for partnering with us to bring a brighter future to military children worldwide.

Sincerely,
