

April 3, 2020

Good Afternoon, Parents and Students,

We are concluding our second week of remote learning and beginning our next phase. Our hope is that students are able to maintain contact with their teachers throughout this process. If there are any issues with either online classwork or packet pick-up/delivery, please let us know. We are supporting office hours here Monday through Friday from 8 AM to 2 PM, and you can always call at 603-336-5984. We want to support you in any way we can.

Here are some tips that will enable us to serve you better:

- Please continue to look at our teachers' webpages at <http://www.hnhsd.org/teachers/> to view remote learning activities and assignments
- Have your child check their school email
- Check PowerSchool to view completed assignments
- Call us if you need assistance with classes, meals, or any issues

Beginning the week of April 6, the following guidelines have been recommended by the NH School Board Association:
