Athletic Director

December 16, 2020

Dear Parents/Guardians,

As the end of the first semester approaches, we have many events on our calendar.

The school district will be providing remote instruction for all students following the upcoming holiday break. This remote learning window is scheduled for January 4 through January 15, 2021. There is no school on Martin Luther King Day January 18, so students will return to on-site learning on Tuesday, January 19, 2021.

If a student who has been consistently working remotely and is planning to return at the beginning of semester two, they will return on Friday, January 22, 2021, the first day of semester two.

The Semester I Summative Assessment Schedule for all students in grades six through twelve is slated for the week of January 11. The schedule is attached. As in the past, early release days during exam week are scheduled. During the remote instruction window, January 8 is an “A” day, and January 15 is a “B” day.

Teachers will be assigning performance-based assessments to determine students’ progress on knowledge and application in their content areas. They will communicate their specific expectations for the assessments and a timeline for completion directly to their students.

We sincerely hope the holiday break provides you with an opportunity to rest and relax, as well as stay healthy. We are grateful for your continued support and understanding as we continue to move forward through the challenges ahead. If you have any questions, please do not hesitate to contact us.

Thank-you and Best Wishes,

Ann Freitag
