Hinsdale Middle High School began remote learning on March 16, 2020 and continued through the end of the school year. Students and teachers used a variety of methods to continue education including Microsoft Teams, teacher websites, email, and delivery of paper material if needed. Students received a traditional letter grade for fourth quarter and it was averaged into their score for the year. Students who needed additional time to complete fourth quarter work beyond the revised end of school date of May 29, 2020 were given an incomplete and allowed to make up the work. Students were provided with instructional support and access to digital resources during the summer to complete remote learning activities.
