New Hampshire Department of Education - Student Survey
EVALUATION OF NEW HAMPSHIRE
21ST CENTURY COMMUNITY LEARNING CENTERS
Older Youth Survey

Dear Student:

To help make this afterschool program better, we are surveying students to learn their thoughts about it.

This survey is voluntary. If you do not want to fill out the survey, you do not need to. However, we hope you will fill it out because your answers are important.

This survey is private. No one at your school, home, or afterschool program will see your answers.

This is not a test. There are no right or wrong answers, and your answers will not affect your place in the afterschool program in any way. Please answer all of the questions as honestly as you can. If you are uncomfortable answering a question, you may leave it blank.

Thank you for your help!
