

Hinsdale School District

Community Forum

Wednesday May 23, 6PM

HMHS Library

603-336-5728 * COMMUNITYCONNECTIONS@HNHSD.ORG * WWW.HNHSD.ORG * P.O. BOX 27, HINSDALE NH

The Hinsdale School Board and the Community Connections Committee invite you to join us on Wednesday May 23 for a Community Forum on the District's involvement in the PACE program.

The Community Forum will depart from the more formal format of the monthly school board meetings and will offer an opportunity for a more in depth discussion of this important topic.

From the NH Department of Education: NH PACE is a first-in-the-nation accountability strategy that offers a reduced level of standardized testing together with locally developed common performance assessments. These assessments are designed to support deeper learning through competency education, and to be more integrated into students' day-to-day work than current standardized tests. Meaningful assessment is a key part of a strategy to ensure students are getting the most out of their education.

A discussion about the District's involvement in the PACE program will be led by Director of Curriculum and Instruction Karen Craig and the PACE Committee.

More information about PACE can be found at the NH Department of Education's website:
