Dear Hinsdale Parent/Guardian,

You are receiving this letter because you have a child who is about to enter grade nine.

We have scheduled a meeting to explain the options available to your child and to assist with scheduling. The meeting for these students will be on **Monday, February 27 at 6 PM** in the cafeteria.

Ms. Sommer and Mrs. Brault will explain how online course selections work and will provide an overview of the required and elective options. There will be Programs of Studies available that evening for your use but please feel free to look in advance online for the 2017-2018 version!

Students will have the opportunity to sign up online while in attendance on February 27th. Ms. Sommer and Mrs. Brault will be available to assist with this process.

Students who are not in attendance at the February 27 meeting will be able to begin the registration process in school on Tuesday, February 28th.

While the meeting on February 27th is to assist students currently in grade eight and their parents, we realize that many of you have children in more than one grade level; if you attend this meeting, you may pick up the instructions for online course selection for all of your children.

Due to the time constraints we face in scheduling for next year, the online course selection must be completed by Monday, March 6, 2017.

We hope you are able to attend. If you have any questions, please call Ms. Sommer or Mrs. Brault at 336-5984.

Sincerely,

Ann L. Freitag
