## **David G. Kent NHTM Mathematics Education Major, Mathematics Major, and Elementary Education Scholarship (High School Student)**

The New Hampshire Teachers of Mathematics are pleased to offer a \$1000 scholarship to a graduating high school senior. This scholarship is named in memory of David G. Kent, a long time NHTM executive board member and NH High School Mathematics Contest organizer.

### **High School**

The New Hampshire Teachers of Mathematics are pleased to offer a \$1000 scholarship to a graduating high school senior. The scholarship as outlined below will be awarded and administered by NHTM.

The applicant must meet the following requirements:

- will graduate from a New Hampshire high school or be a New Hampshire resident
- has been accepted at a fully accredited college or university
- plans to enroll in the certification program for middle school or secondary mathematics education; or elementary education; or mathematics with the intent of becoming a mathematics teacher

Selection Criteria:

- academic achievement
- financial need
- involvement in extra-curricular activities
- involvement in school and community service

Application Procedure:

1. Complete and submit the application form
2. Email or mail a copy of your school transcripts which must include class rank, GPA, and, coding for level of courses.
3. Email or mail a copy of SAT or ACT scores.
4. Email or mail two letters of recommendation, one of which must be from a mathematics or computer science teacher, and the writer must clearly address this award
5. Email or mail a copy of SAR (Student Aid Report) which indicates your EFC (Expected Family Contribution) amount
